Good morning, Bill, Sam, Tom and Chuck.

I have reached out to the following folks that I took on at our meeting:

Dennis Fong & Polly Cam
Dave Henderson/Carl Cilker
Brian Bumb

And, I added on Jack Collishaw (Collishaw Construction).

I think they will all give, but I am trying to get them to the \$25k level. Should know more in a week or so.

ERIK

Good Morning Michael—

As you know, the Pat Dando Brigade has reached \$191,000 thus far—and wheels continue to roll. And thank you again to you and Jennifer for your personal family commitment.

We simply wished to “check-in” with you to inquire as to your efforts, thus far, of outreach and/or success in securing commitments for the Pat Dando Legacy Project. As best I can tell, you had voluntarily identified the following parties at the associated levels of requested support to connect with:

- Republic Urban: \$10,000-\$25,000
